

## **The Newbery Medal**

The Newbery Medal is awarded annually by the American Library Association for the most distinguished American children's book published the previous year. Named for eighteenth-century British bookseller John Newbery, the Newbery Award became the first children's book award in the world. Its terms, as well as its long history, continue to make it the best known and most discussed children's book award in this country.

The Talking Books program has the following titles, in audio and/or braille, by these recent prize recipients.

Call Nevada Talking Book Services to order or download these through [Braille and Audio Reading Download](#).
